

NORTH LAKE
RECREATIONAL SEWER AND WATER DISTRICT

VALLEY COUNTY, IDAHO

RULES, REGULATIONS AND RATES FOR THE OPERATION
OF THE DISTRICT SEWER SYSTEM

RESOLUTION NO. 97-6

SECTION 9. DISTRICT NOT LIABLE FOR DAMAGE OR SHORTAGE

The District shall not be held liable for damages to any sewer user by reason of a stoppage or other interruption of his sewer disposal service caused by accidents to the works, alterations, additions or repairs to the sewer system or from other unavoidable causes beyond the control of the District.

SECTION 10. REQUIRED USE OF SEWERS

The owner or occupant of any house, building or property used for residential, commercial, industrial, governmental or recreational use, or other purpose, situated within the District which is abutting on or having a permanent right of access to any street, alley or right-of-way in which there is located a public sewer of said District is hereby required to cease using any other method of disposing of sewage, waste or polluted water, and at his expense to connect such building directly with the public sewer in accordance with the provisions of this Resolution, within forty-five (45) days after date of official notice from the District to do so; provided, however, that said sewer is within three hundred feet (300') of any property line of the building to be served or common property line in a multiple building development.

The developers of new subdivisions shall, at their expense, construct the necessary extensions of the public sewer system to provide public sewer facilities for each lot in the subdivision.

It shall be unlawful to discharge to any natural outlet within the District, or in any area under the jurisdiction of said District, any sewage or other polluted waters, except where suitable treatment has been provided in accordance with subsequent provisions of this Resolution.

Except as hereinafter provided, it shall be unlawful to construct or maintain any privy, privy vault, septic tank, cesspool or other facilities intended or used for the disposal of sewage.

SECTION 11. USE OF THE PUBLIC SEWERS

The use of the public sewers of the District shall be in accordance with the following regulations:

- (A) No person shall discharge or cause to be discharged from any connection any stormwater, surface water, groundwater, roof runoff, subsurface drainage, uncontaminated cooling water or unpolluted industrial process waters to any sanitary sewer.
- (B) No person shall discharge or cause to be discharged any of the following described waters or wastes to any public sewers:
